**TO ALL LOUISVILLE WATER CUSTOMERS:**

The City of Louisville will be **cleaning the pump** and screen in the primary water well the week of April 16, 2007. Fluctuation in water pressure along with the possibility of discolored water will occur during this time. The City will begin this process at 7:00 a.m. on April 16<sup>th</sup> and hopefully be done by late Sunday, evening the 22<sup>nd</sup>.

**We regret any inconvenience this may cause.**

If you need to reach someone after 5:00 p.m. or on the weekend, please call Dan Henry at 505-0709.
